When: Sunday 21st to Friday August 26th, 2022.

BODYBUILDERS HOUSEPARTY 2022:

We made it! Covid-19 put the brakes on for two years, but this year we celebrated our thirtieth BBHP youth weekend away! The venue may have been the same (Charminster Chapel, Bournemouth), and many of the activities (a hike up Hengistbury Head, the ferry to Swanage, invading the local swimming pool and Avon Heath Country Park) but with a completely new batch of youngsters, it all bore repeating!! Quite a few of our great team of leaders were first timers on BBHP too!

Spiritually the weekend was very rewarding, with excellent attention given during the talks. One lad told his mum when she came to collect him at the end of the weekend, "This morning's talk hit me between the eyes!" We continue to sow good seed and wait for the harvest. One of the young people who attended BBHP three years ago was recently baptised and, in her public testimony, said it was at BBHP where she prayed with Penny a prayer of commitment to Christ. That, my friends, is why we do it! Your prayers make a big difference!

SPEAKERS CORNER:

Speakers' Corner is in Hyde Park, London. It is the oldest active, free-speech platform in the world. It is also a traditional place for rallies, protests, and marches to assemble or to end.

Every Sunday, from about midday till after dark, conversations, debates, discussions and open-air public speaking take place.

Gordon is mainly there for one-to-one evangelism but once a conversation strikes up it often grows to one-to-six (or more) as more people get drawn into the discussion. It has been good to link up with other like-minded Christians during these Sunday afternoons, to encourage and support each other, and as Solomon wrote many years ago *'two are better than one'* (Ecclesiastes 4:9).

The two largest groups at Speakers Corner are the Christians and the Muslims with the Muslims far outnumbering the Christians, alongside these groups are the atheists, various political parties and a further mixture of the weird and wonderful!

Please pray for wisdom and adaptability for Gordon, you never know who you will be speaking to. Pray too for protection, most weeks a fight breaks out, mainly between Sunni and Shia Muslims but Christians also get punched or attacked. Please pray for safety in travel. Twice in the last few months Gordon has been involved in car accidents and on both occasions it was due to debris left in the middle of the motorway. The first incident caused a lot of damage to the car, but we are thankful both for insurance and that only the car was damaged!

EASTER HOLIDAY CLUB:

Our venue was Duncan Road Church, Southampton and once again it was great to see a room full of enthusiastic children hearing about Jesus! We had an amazing team of helpers, with almost the entire Youth Group coming along as junior leaders each day!
